

Name: Elise Fischer
Placed As: Account Director
Company: Innocean Worldwide UK

How did you first come to work with Copeland?

Julia messaged me via LinkedIn.

What career goals were you trying to achieve?

I had already started to think about moving on. I wanted a progressional move - still in the motor industry but outside of a dealer.

How closely did the role fit your career goals?

Extremely well. It wasn't something I had considered before. There are not many agencies structured like Innocean. For me the role was perfect.

What have been the benefits of working with Copeland?

It took out all the hard work of finding a new job. It all happened so quickly and effectively.

What's it like working with Julia?

I would 100% recommend you. You gave me constant calls and check-ins.

It took out all the hard work of finding a new job.... I would 100% recommend you.
